MYKONOS

A DREAM TO EXPLORE

# THE KAIKI

## AN ICONIC EXPERIENCE FROM TIMES PAST TO MOMENTS OF PRESENT ON A GREEK TRADITIONAL BOAT

“ Caressed by a gentle sea breeze and illuminated by the glorious sunshine, Greek wooden boats have a proud and long-standing tradition of trading and craftsmanship in the Aegean Sea. With a few surviving ‘kaiki’ or else called ‘Trehantiri’ sailing vessels in Greece, three lovingly restored Kaiki boats, from Santa Marina’s peninsula, allow you to experience the beauty of this heritage in the enchanting Greek seaside of Mykonos, Delos and neighboring islands. ”

## SEATZEN

Perfect for sailing around the Greek islands for long or short voyages with family and friends, Seatzen is our larger historic “Kaiki” boat, originally built in 1974 in Thassos. Ideal for a unique seaside experience, Seatzen offers the amenity to feel the ambience of the sea and the hidden coves, in style and comfort.

## FANEROMENI

Faneromeni is one of the older traditional Kaiki boats, considered as a historical Greek artifact, built in 1945 in Skiathos out of pine wood. Its former use has been a trading boat, supplying the islands with food and merchandise. Now, the beautiful Faneromeni has been lovingly restored and one can savor day cruises in remote coves and the sparkling seas.

---

A LIFETIME

CRUISE

# EXPLORE MYKONOS & BEYOND

Experience the Aegean Sea and carry with you a little piece of Greek heaven. Whether you want adventure or tranquility, feel the sandy shores on your skin, swim in crystal waters, or dance to the tunes of a cosmopolitan beach club, a fleet of Santa Marina boats will take you there: luxury services and a good captain on hand to be catered for you with bespoke care and expertise. Greek islands, with their hidden coves and sandy beaches, little seaside tavernas and off-the-beaten track villages, or maybe vibrant beach club hot spots, all have their own good reason to explore and enjoy.

RIB Speed Boats, ideal for experiencing a choice of beautiful seaside clubs or tavernas, these boats will take you seamlessly with safety, speed and comfort. Our larger RIB is perfect for day cruises.

Our experts have the inside track on all the destinations that we specialize in and offer tailor-made trips so that you make the most out of your time on the Cycladic Archipelago.

Swim in sparkling clear blue waters, access gorgeous remote sandy beaches or dive into sea caves, experience the beauty of Cycladic architecture, visit some of the most important archaeological sites of Ancient Greece, or use our luxury speed boats to transfer you to any destination within Mykonos to visit a beach club of your choice or even Mykonos Town... it is all about the experience.

## SANTA MARINA FLEET

Our RIB boats are designed for comfort, speed and safety; these boats are indisputably ideal for transfers within Mykonos and nearby islands or to enjoy a day cruise.

### GOLDFISH ~ Passengers x8

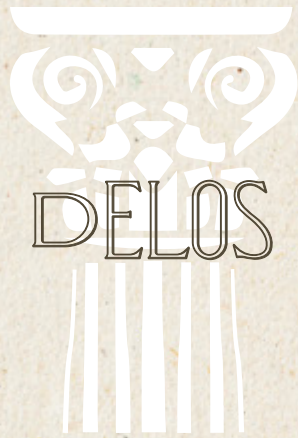

The Goldfish X9 Explorer, custom made in Norway, is 9,7 meters long, travels with 40 knots/hour and is powered by 2 X 370 hp Yanmar 8LV equipped with Ullman cushioning chairs. Ideal for transfers within Mykonos and nearby islands.

### GOLDFISH ~ Passengers x10

The Goldfish X10 Explorer, custom made in Norway, is the boat with the most offshore performance that has been created by Goldfish. It is 12.6 meters long, travels with 45 knots/hour and is powered by 2 X 370 hp Yanmar 8LV equipped with Ullman cushioning chairs. Ideal for transfers within Mykonos and nearby islands.

### TECHNOHULL 40S ~ Passengers x12

The Technohull 40S is a sporty version of the ultimate day boat. Matching seamlessly the elegance and comfort, speed and design, with spacious lounging and WC facility, this boat offers a memorable boating experience. It is 12.5 meters long, passengers 12, travels with 38 knots/hour and is powered by 2x600HP engines. It offers the best option for a day cruise in the Aegean Sea.

Delos, the birthplace of Apollo, the God of Light, lured ancient pilgrims and inspired the name Cyclades in antiquity. Today, the archaeological site is a UNESCO World Heritage Site, a highlight for travelers since the early 1930s. Immerse into history on a privately guided tour and admire the statuary lions, given to the island by the Naxians in the 7th c. BC, the Agora of the Italians, the Minoan Fountain, and visit the Sacred Lake and legendary birthplace of Apollo and Artemis.

## RHENIA

Nearby Delos, Rhenia is located 12 nautical miles from Mykonos, a 10-minute boat ride to reach its sandy isolated beaches and picturesque turquoise coves. Rhenia is uninhabited and here you can enjoy a tranquil seaside experience, isolated from the crowds and wonderfully native.

# TAILOR MADE

## Full Day & Half Day Highlights Tastes Of The Archipelago Mykonos & Beyond

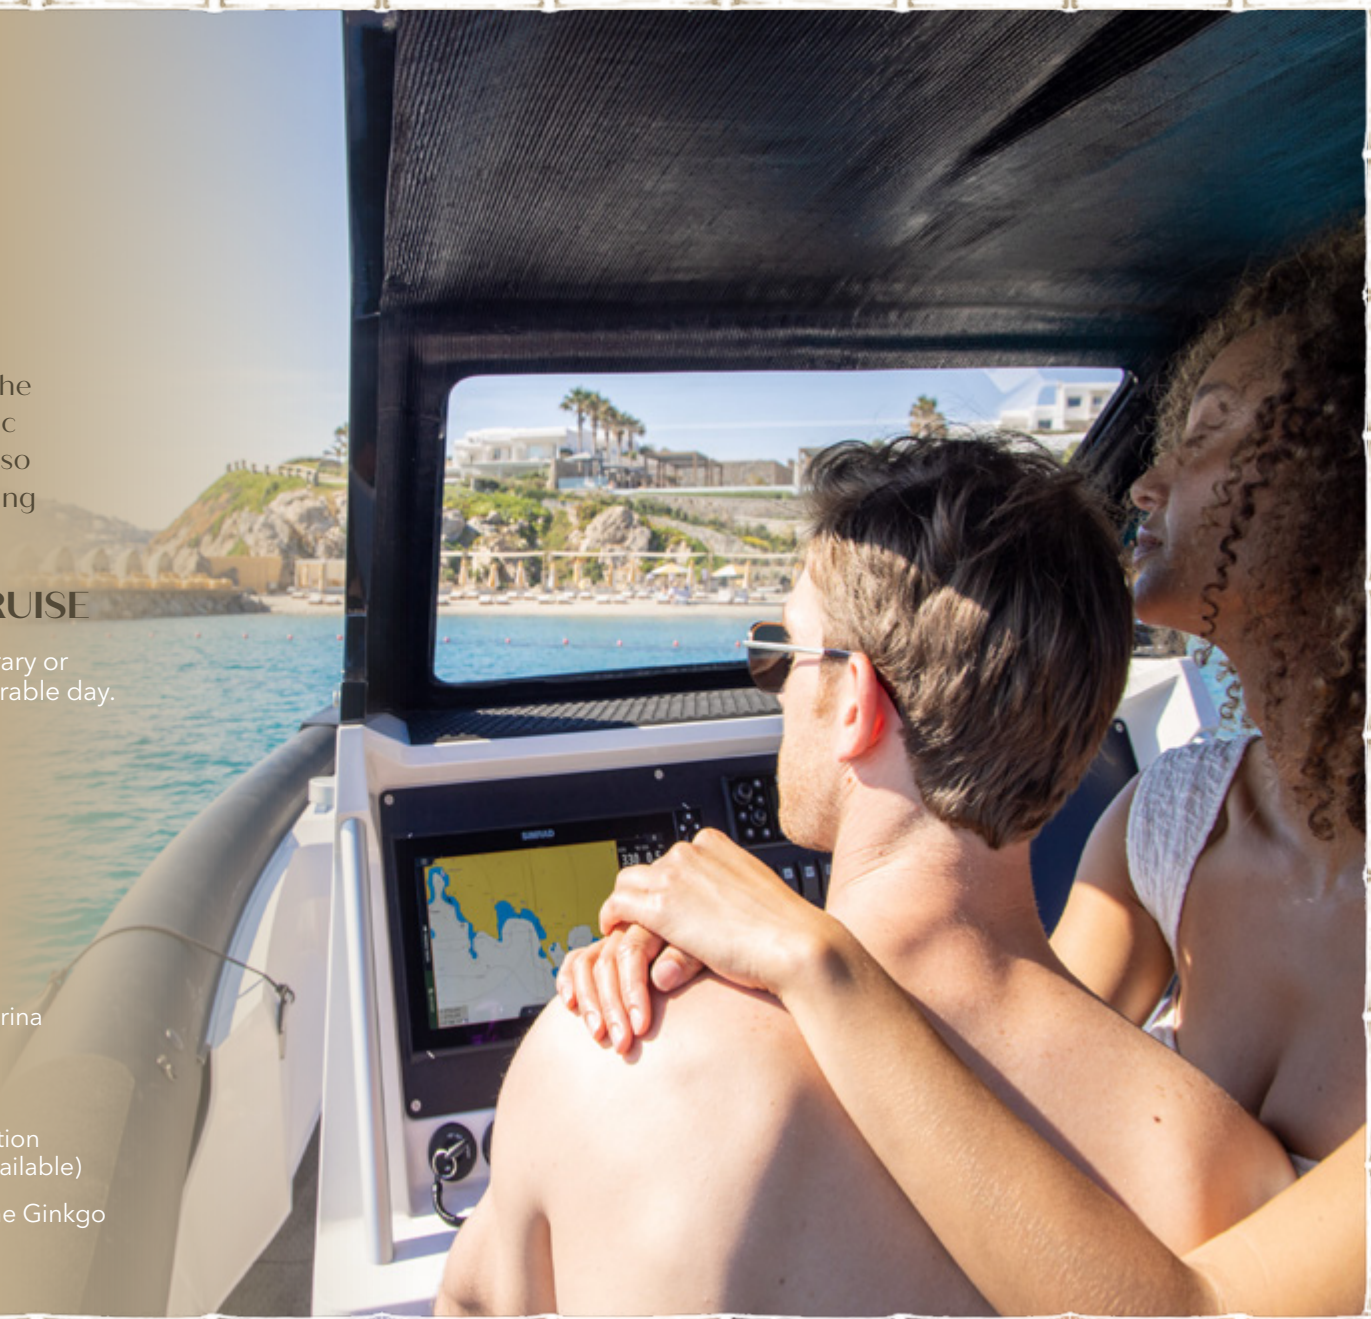

Our experts have the inside track on all the destinations on Mykonos and the Cycladic Archipelago, and tailor-made itineraries so that you make the most out of your boating experience.

### CUSTOMISE YOUR PRIVATE CRUISE

We will be happy to discuss with you any itinerary or special request to create your very own memorable day.

Additional services upon request:

- Bring along extra sea leisure equipment such as Wake Foil, Jet Ski, Sea Bob
- Organize a party on board with a DJ and Santa Marina bartender for special cocktails
- Arrange for a Santa Marina Chef to come on board for special catering
- Boating menus specially prepared by Santa Marina
- Arrange for a tour guide to show you the archeological site of Delos
- Guidance regarding the choice of your destination (depending on weather conditions and time available)
- Yoga sessions or spa treatments on board by the Ginkgo spa team of Santa Marina
